

For your safety

Welcome! To help keep you safe, we're screening for illness before entering the building. This includes a temperature check and review of the following symptoms:

- Cough
- Sore throat
- Diarrhea
- Congestion
- Shortness of breath
- Temperature higher than 100°F
- Vomiting
- Muscle aches

We will not allow anyone who is screening ill to enter the building.

While you're here:

- Practice social distancing by staying 6 feet away from others.
- Please wear a mask in common areas and when you cannot practice social distancing.
